

Integration is part of the Mobile Money solution. This service offers you complete financial freedom by changing the way you see and manage your money.

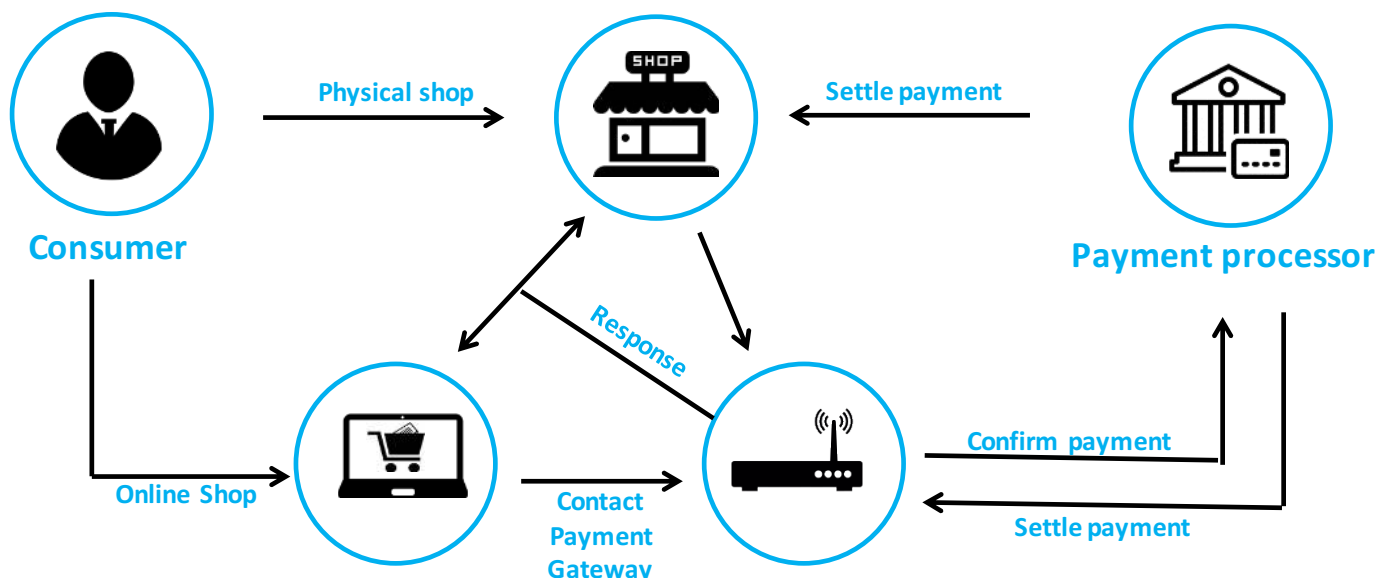

Key Features:

- ✓ Allows you to make multiple types of financial transactions, ranging from basic transactions such as recharges and payments, to secure person-to-person (P2P) or person-to-company (P2C) transfers.
- ✓ Keeps your financial information secure and private, even when you spend directly on sites.
- ✓ Users can send and receive funds directly to their Money Wallet, in multiple currencies.

Benefits:

- ✓ Users do not require a bank account to transact. All funds are managed from their Money Wallet.
- ✓ No credit checks are required to open an Integration account.
- ✓ All transactions are completely secure, giving the customer total peace of mind.

How it Works:
